'Best Practices & Issues for the Private College-University and NACEP'

Dr. Dennis Waller & Dr. Ben Earwicker [Northwest Nazarene University]

Issues for Discussion: CURRENT

- 1) What internal issues are impacting your CEP right now?
- 2) What external issues are impacting your CEP right now?
- 3) Are "CORE" standards an issue for you? Are you included in state discussions?
- 4) Do you have trouble transferring your courses to any particular schools – private or public colleges and universities?
- 5) If you had the power to change something – NACEP or Other – what would it be?
- 6) QUESTIONS ? Board Member changes, Bylaw...

Issues for Discussion: PAST

- 1) Are we (privates) distinctly different from other 4-yr (public) institutions?
- 2) How is your program "perceived" by various audiences?
 - External: State offices and/or legislative, school districts, schools, etc.
 - Internal: Administration at College/University, faculty, etc.
- 3) Program Costs/Budgets? [-Scholarships, or other funding? -Tuition/cost controls?]
- 4) Accreditation? [-Regional? --NACEP?]
- 5) Faculty Mentors? [Use in "various" ways?] [-Teaching Load? -Payment?]
- 6) High School Faculty? [Use in "various" ways?] [-Stipend? Other? -Benefits?]
- 7) Other Issues? Q & A...
 - NACEP Structure Changes, i.e., Board member changes?
 - Bylaws?
