# Experimental Sites Initiative (ESI)

---

- Authority under Section 487A(b) Higher Education Act of 1965, as amended
- Tests the effectiveness of statutory and regulatory flexibility for participating institutions disbursing Title IV student aid
- Provides waivers of specific statutory and/or regulatory requirements
- Intended to yield data that will inform decisions about changes to regulations and statute

# Dual Enrollment

## Current Rules

- A student may not receive title IV assistance, including Federal Pell Grants, if the student is, in addition to being enrolled in an eligible postsecondary educational program, also enrolled in secondary school
- A student must have a high school diploma or its recognized equivalent in order to receive title IV aid

## Experiment

- An otherwise-eligible student who is enrolled in both secondary school and an eligible postsecondary program may receive a Pell Grant
- An otherwise-eligible student enrolled in both secondary school and an eligible postsecondary program does not need to have a high school diploma or its recognized equivalent to receive Pell Grant funds

# Dual Enrollment

## Waivers

Law/Regulation	Description
Section 484(a)(1) of the HEA and 34 CFR 668.32(b)	Prohibits a student who is enrolled in secondary school from receiving funds under the Federal Pell Grant program
Section 484(d) of the HEA and 34 CFR 668.32(e)	Requires that a student have a high school diploma, or its recognized equivalent, to be eligible for Federal Pell Grant funds

# Dual Enrollment

---

## Experiment requirements

- The institution must:
  - Require dually enrolled students to enroll in a Title IV-eligible postsecondary program as regular students
  - Offer students the opportunity to earn at least 12 postsecondary credit hours while dually enrolled
  - Ensure that students meet relevant requirements for dual enrollment (e.g. GPA, placement tests, etc.)

# Dual Enrollment

---

## Experiment requirements (continued)

- The institution must:
  - Prohibit the use of Federal Pell Grant funds for remedial coursework taken by dually enrolled students
  - Provide appropriate student support services, such as academic tutoring, high school to college transition support, guidance counseling, or comparable services

# Dual Enrollment

---

## Experiment requirements (continued)

- The institution must:
  - Provide assistance completing the Free Application for Federal Student Aid (FAFSA). This assistance may be provided by the public secondary school, the institution, the LEA, or by another entity

# Dual Enrollment

---

## Experiment requirements (continued)

- The institution must:
  - Ensure that after all Federal and non-Federal resources have been applied to student charges, students are not responsible for any remaining institutional charges as a result of dually enrolling

# Dual Enrollment

---

## Experiment requirements (continued)

- The institution must:
  - Ensure that Federal Pell Grants made available to students to enroll in programs through this experiment do not supplant public and institutional sources of funding for the institution's dual enrollment arrangement(s)
