Enrollment Options**

Minnesota State University, Mankato

Slight changes for 21-22 cycle

- C3 (under Commentary)

If an institution completes site visits on a rotation (ex. Every 3 years), the institution must provide a site visit report for the ~~last year~~ most recent site visit conducted for each discipline with a description on how site visits are tracked, and a comprehensive document tracking the site visits that includes all years in the rotation.

- E1 (modified 4 bullet in commentary)

At least one course per instructor must be evaluated. For instructors who teach multiple sections of the same course, the CEP must conduct an evaluation of at least one of those sections each term.
~~or evaluate an instructor's courses on a rotation.~~ The process must be at least as comprehensive as that for the campus (the CEP may not evaluate sections less frequently than required on campus).

- E2

The table on the E2 Coversheet is optional but is a best practice.
