

Annual survey – Spring

1. Thinking about the NWACC courses I took through Early College Experience, I would you rate my overall experience as:

- Excellent
- Good
- Fair
- Poor

2. As an Early College Experience student I feel that these classes have:

- Lacked academic rigor – been too easy
- Been more difficult than I thought
- Been at just the right level of difficulty

3. Being in the Early College Experience program:

- Had no effect on my decision to attend or not to attend college after high school
- Made me consider attending college
- Turned me off to the idea of attending college

4. The most important feature of the Early College Experience program is:

- The opportunities it gives high school students to earn college credit
- The low tuition it charges for college courses
- The confidence gained from doing college work
- All of the above

5. The atmosphere of my Early College Experience classes was:

- Just like my other high school classes
- More serious than my other classes
- Less serious than my other classes

6. My Early College Experience classes were:

- More challenging than my high school classes
- Equally challenging as my high school classes
- Less challenging than my high school classes

7. Attending an NWACC Early College course has:

- Made me consider attending NWACC
- Had no effect on my decision to attend or not to attend a particular college
- Turned me off to the idea of attending NWACC

Please give us your suggestions in the spaces below.

8. The Early College Experience program can be improved by

9. For the benefit of students who are considering Early College Experience courses, please share your impressions of the overall value of ECE as pre-college experience

Thank you!
We appreciate your feedback and value your opinion.
