College Credit Plus Funding

Funding in General

- How does the funding work?
  - Public schools receive foundation funding
  - Based on FTE
  - Students choose their education paths—if College Credit Plus, then a portion of the foundation funding is redirected to the college
  - Nonpublic and Homeschool funding is determined by the General Assembly

Determining Costs

- Default rates or alternative funding agreements
- Alternative funding agreements between college and secondary schools Must be executed annually by February 1
- Default rates are set biennially by General Assembly
  - Ceiling – typical rate for online or at the college campus courses
  - Mid-Level – typical rate for at the high school with a college faculty member
  - Floor – Typical rate for at the high school with an approved high school teacher

Determining Costs

- Default rates for 2019–2020 – per credit hour

	Semesters	Quarters
Ceiling	$166.55	$111.04
Mid-level	$83.28	$55.52
Floor	$41.64	$27.76

- If college's standard tuition rate is less than the ceiling rate, the college will receive their standard tuition rate

Nonpublic and Homeschool Funding

- Determined by the General Assembly
  - Nonpublic $2.6 million
  - Homeschool $1.5 million

Nonpublic and Homeschool Funding

- Application must be submitted for each year of participation
- Maximum number of hours requested is 30
- Funds awarded on a grade-level rotation
- May not transfer funds between applications (homeschool and nonpublic)
