

Join MiCEP in Midland, MI for our fifth annual
Creating Successful College Credit Opportunities for
Michigan High School Students Conference!

July 25 – 26, 2018

The H Hotel
111 W Main Street
Midland, Michigan 48640

Concurrent enrollment courses are those courses meeting the National Alliance of Concurrent Enrollment Partnerships (NACEP) definition of "college-credit bearing courses taught by college-approved high school teachers."

The purpose of NACEP and MiCEP is to support concurrent enrollment programs through the advocacy of quality initiatives (best practices, research, etc.) that promote student access and completion, program development, professional development, communication, and high quality standards.
