

Coversheet for Assessment Standard A1

The college/university ensures concurrent enrollment students' proficiency of learning outcomes is measured using comparable grading standards and assessment methods to on campus sections.

Explain how your program meets this standard. Illustrate specific policies & practices, and provide context for evidence submitted.

Required Evidence

- 1) A Statement of Equivalency written by each discipline's faculty liaison that follows the NACEP Statement of Equivalency Guidelines. A standard response is not appropriate.
- 2) Paired student assessment tools from on-campus and concurrent enrollment sections – one paired example from each discipline for side-by-side comparisons (such as final exam, lab exercise, essay assignment, or grading rubric).
